

A PETITION ADDRESSED TO THE WESTERLY TOWN COUNCIL

Inasmuch as the Westerly Town Council is now engaged in the selection of a Town Manager,

We the undersigned, demand that the members of the Town Council, in selecting a Town Manager, consider the following to be among the primary requirements to be expected of any applicant for the position:

- Prior successful experience in municipal management over a period of five years or more, or equivalent experience in the successful management of a major business or entity requiring knowledge of budgeting, oversight of internal business departments, success in the field of economic development, and other related functions;

- A record of academic achievement, preferably in municipal administration, that indicates that the applicant possesses the knowledge required to be successful; and

- A politically independent person, with a demonstrated ability to carry out the work of Town Manager, without regard to political party considerations.

Not all of the finalists for Westerly Town Manager possess such credentials. We, the People of Westerly, demand that the Town Council fill the vacancy with a qualified individual.

The following 228 signatories agreed to this petition at the website, www.westerlyspeaks.com, between Sunday, December 21, 2008, and Monday, December 29, 2008. The petition will remain online until a new Town Manager is chosen.
